

**SWANWICK PARISH COUNCIL
MINUTES OF COMMUNITY SPORT & ACTIVITY COMMITTEE
17 APRIL 2014**

Present: Councillors Watson, Briggs, Fretwell & Hardwick

1. Apologies:

Councillor Dale

2. Provision for Youth Activities during 2014

Following the success of 2013 activities that took place, it was felt that something similar should be considered.

Cllr Briggs put forward the idea of a 'mobile caving unit'. The Clerk informed the meeting that the Sporting Futures Team are working in Somercotes on Thursdays during the summer holidays but may be able to accommodate Swanwick on Tuesdays.

Consideration was also given to the climbing wall.

Last year Derbyshire County Councillor awarded Swanwick £250.00 towards these activities.

RESOLVED:

To try and book all activities for 12, 19 and 26 August 2014 (Tuesdays).

The Clerk would contact DCCLrs Paul Smith and Steve Marshall Clark regarding some funding towards the activities.

To contact Swanwick Hall School, Swanwick School & Sports College regarding using their community facilities. A visit to both schools would be requested to look at what they can do for Swanwick Parish Council.

The Scouts would also be contacted regarding using their building if wet weather.

Meeting Closed at 7.10pm
