Please tick only one box on each row/ line and feel free to give additional comments in the space provided overleaf or, if you need more space, please use an additional sheet and attach securely when returning. Please ensure that your name and address is on each additional sheet

### Your views on the Community Objectives

Community Objectives	Agree	Neutral	Disagree
<b>Community Objective 1:</b> To ensure that all new development is located where it does not detract from the village's setting and maintains Swanwick's physical separation from Alfreton, Somercotes and Ripley			
<b>Community Objective 2:</b> To secure an area of land to the west of Derby Road to provide a community park providing an open space well connected by footpaths and cycle routes to the village that will also provide structural landscaping to reduce the impact of any future development on the setting of the village.			
<b>Community Objective 3:</b> To protect the land between Sleetmoor Lane and the Thornton's site as shown on Map 2 as areas A, B and C.			
<b>Community Objective 4:</b> To ensure that the design of new development enhances the character of the village.			
<b>Community Objective 5:</b> To ensure that views into the countryside from the village are retained and enhanced.			
<b>Community Objective 6:</b> To ensure that planning gain from all development (Section 106 money and other investment that accrues from future schemes) is maximised for the benefit of the village.			
<b>Community Objective 7:</b> To protect and improve the parks and open spaces in the Parish.			
<b>Community Objective 8:</b> To support and enhance the provision of retail and community facilities in the centre of the village to meet local need.			
<b>Community Objective 9:</b> To increase the provision of community facilities across the Plan area.			
<b>Community Objective 10:</b> To ensure that the community is consulted early in the planning application process via the mechanisms outlined in this Neighbourhood Plan.
